On December 29, 2022, the African-American Burial Grounds Preservation Act was enacted into law as a part of H.R.2617, also known as the Consolidated Appropriations Act, of 2023. This significant legislation marks a crucial milestone in acknowledging and safeguarding the historical and cultural sites and landscapes that hold national, regional, and local importance, including the preservation of African-American burial grounds.

Honoring this, we will come together on **Wednesday, November 8, 2023, from 12 p.m. to 1:30 p.m.** at Pierce Chapel African Cemetery to pay tribute to the rich history, culture, art, traditions, and ways of life embodied in this culturally significant site.

**Location:** Pierce Chapel African Cemetery  
5122 Pierce Chapel Road Midland, GA. 31820
